Re: Statement concerning the Notice of Debtors 151st Omnibus Objection to Claims
(Claims for Equity Interests)

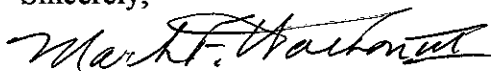

I object that my claim may be reclassified as an equity interest claim. I feel that General Motors fraudulently misrepresented the viability of their company to me.

General Motors must have known that the viability of the company was deteriorating months, possibly years, before filing for bankruptcy. I feel that General Motors knew that its stock would eventually be worthless, and rather than notify me or take action to protect me from loss, they chose to take no action. It is my belief that due to fraud and misrepresentation that my claim should not be reclassified as equity interest. The result would be unjust and inequitable.

The stock was held in the General Motors 401(k) plan that I participated in as an employee of General Motors for 31 years.

My claim number is 60788 and the amount of my claim is \$129,197.04.

Sincerely,

Mark F. Hasson III
